

A group of four young people are sitting on the grass in front of a large green tarp. They are all smiling and looking towards the camera. The background shows a scenic mountain landscape with green hills, a forest of evergreen trees, and rocky mountain peaks under a blue sky with some clouds. The overall atmosphere is bright and cheerful, suggesting a summer outdoor activity.

PROGRAMME

The next few pages give an overview of the programme activities included in this event, if you are unsure if any activity is suitable for your group, please contact programme@ourchalet.waggs.org before making your booking.

NOTE: All programme activities are subject to change depending on availability of suppliers and weather conditions.

Important information about programme:

- This event is open to Guides and Scouts aged 12-18. All participants must be socially and emotionally capable of taking part in an active weekend with peers of this age group.
- Leaders must accompany their youth participants on all programme activities and are responsible for first aid for their group at all times.
- It is the responsibility of the group to check that activities meet their Member Organisation's rules and are covered by their travel insurance.
- The transport options listed in the 'adaptations' are only available for participants with a permanent disability or medical condition that affects their mobility.
- In all other cases groups are responsible for any costs associated with additional transport for their participants, e.g. taxis in lieu of walking.

Additional information for the Mini Adventure event:

- The Mini Adventure event programme starts at 14:00 on the arrival day. We strongly recommend all groups arrive by 12:30 at the latest to allow time to check in and eat picnic lunch before activities start.
- The Mini Adventure event offers physically demanding activities that will take place in all weather conditions. All participants, including leaders, should be physically and emotionally capable of taking part in this kind of event. For groups of mixed ability we recommend considering our Mini Discover or Explore events instead.
- This is our most demanding mini summer youth event. Our Chalet encourages young people with disabilities to take part in challenging activities, but we recommend discussing ability/needs prior to booking to ensure we can make appropriate adaptations to allow young people with disabilities to take part fully.

Start your adventure with a half day at Our Chalet, acclimatising to the local environment, getting to know your fellow participants, and building your survival skills ready for the weekend ahead!

From games to team building activities to survival basics, there will be lots of opportunities to challenge yourself while making new friends.

On your departure morning you will continue with another half day of survival skills onsite activities, testing what you've learned over the weekend!

These two half days are guided by Our Chalet staff.

Practical information:

This day is split into two parts and activities take place on arrival day afternoon and departure day morning.

Activities take place at Our Chalet and can be adapted for a range of abilities.

On your full programme day we take the public bus to Kandersteg where we hike up a steep trail to the Oeschinensee, one of Switzerland's most famous lakes. After enjoying a break on the lake shore we continue with a panoramic hike leading along and above the lake and ending at the rodelbahn (summer toboggan).

After a couple of toboggan rides it's time to head down the mountain with the cable car and return to Adelboden by bus.

Practical information:

Walking - 1.2km downhill to bus stop + return at end of day

Hiking - 3.5km with 421m ascent (1,414ft) + 7.2km with 533m (1,749ft) ascent and 442m descent.

Special considerations: The panorama hiking trail is a mountain trail with steep, rocky, and exposed sections. Hiking boots with ankle support are required for this hiking. Hiking poles are recommended. **The summer toboggan does not operate in wet weather.**

Adaptations: Due to the nature of this hike, it cannot be adapted for wheelchair users or those with severely limited mobility. Arrangements can also be made to allow participants with disabilities to hike without carrying a backpack/rucksack.

Pinning Ceremony, Tour, & Campfire

As well as the programmes listed on the previous pages, your event will include a pinning ceremony and tour on your arrival day evening. Everyone taking part in the opening ceremony will receive a special Our Chalet pin only available to those who have visited the Centre. The ceremony is followed by a guided tour to help you learn your way around & the history of Our Chalet.

On your other evening at Our Chalet you take part in a campfire with opportunities to learn new songs and share old favourites. **Please note:** in recent summers we have been subject to a fire ban due to lack of rainfall. In this case we still run campfire but without lighting the fire.

ACCOMMODATION

We offer three different accommodation packages; indoor, Squirrel House, and camping. These are the same for all three mini summer event packages. Prices for each option are listed on the first page of this Info Pack.

Important information about accommodation:

- Our Chalet is open to Guides and Scouts of all genders. We are not able to guarantee single-gender hallways or buildings.
- Rooms/tents are allocated by Our Chalet and it is up to group leaders to allocate their participants to each room/tent.
- Rooms/tents are not shared between groups, unless multiple groups request to share with each other.
- Bed linen and towels are provided for indoor accommodation. Sleeping bags are not permitted in indoor accommodation.
- For fire safety reasons it is not possible to add extra beds or mattresses to any of our rooms.
- No vehicles or camper vans are permitted on our campsite.
- Spycher House and our campsite are partially wheelchair accessible. E-mail info@ourchalet.waggs.org for full details of wheelchair accessibility.
- **Note: In summer only indoor accommodation is catered. Campers and those staying in Squirrel House must self-cater all meals.**

Check in time

We strongly recommend arriving by 12:30 on arrival day to give you time to check in and eat lunch before programme activities start at 14:00. You can check in anytime from 08:00, however, bedrooms will not be available until later in the day. Luggage can be stored securely and you can access the outdoor areas of our site and our indoor common areas.

While we try our best to have all bedrooms and tents ready by 12:30, all our cleaning is done by a small team of volunteer staff and our summer events run back-to-back requiring a quick turnaround and relying heavily on the previous guests leaving things tidy. In some cases bedrooms/tents may not be ready before programme starts at 14:00. When this happens we will store your luggage securely for you and there will be time to move it to your bedrooms/tents between the end of afternoon programme and dinner.

The package price includes two nights accommodation, meals from packed lunch on arrival day to packed lunch on departure day, luggage transfers, and all event programme activities.

Our indoor accommodation is offered across two buildings:

Main Chalet opened in 1932 and offers dorm rooms, triple rooms, twin rooms and a single room. The largest dorm room can sleep up to 14 participants. None of the rooms in Main Chalet have bunk beds.

Spycher House opened in 1999 and offers one dorm room (sleeping up to eight participants), quad rooms, twin rooms and two single rooms. Some rooms in Spycher House have bunk beds.

Rooms will be assigned to your group by our Guest Services staff based on your needs. To maximise availability, groups may be split across both buildings. Our staff always ensure at least one leader is in the same building as participants from their group.

Participants from different groups do not usually share rooms (unless by request). However, different groups will share the same common facilities such as bathrooms and hallways. Our Chalet is open to Scouts and Guides of all genders.

For details of wheelchair accessibility in our indoor accommodation please e-mail info@ourchalet.waggs.org. As a broad overview, accommodation suitable for manual wheelchair users is available in Spycher House. Users of powered wheelchairs or mobility scooters who can transfer to a manual chair without the use of a hoist can also access this accommodation.

Squirrel House

The package price includes two nights accommodation, luggage transfers, and all event programme activities. **Please note:** there is a minimum group size of eight to book Squirrel House for a Summer Youth Event.

Squirrel House is perfect for smaller groups who would prefer not to camp but do not need the full indoor accommodation package. **In summer Squirrel House is available as self-catering accommodation only.**

Squirrel House sleeps up to six people downstairs on bunk beds and up to ten people upstairs on mattresses. There is a small kitchen in the downstairs sleeping area that can be used for self-catering.

Squirrel House has two toilets – one downstairs and one upstairs – but no showers. Participants staying in Squirrel House can use the showers in Main Chalet.

Squirrel House is not suitable for wheelchair users and is not recommended for those with limited mobility.

Grocery deliveries are available from Coop@Home and can be delivered Monday-Saturday.

Our campsite can accommodate up to 30 people. Tents including inflatable mattresses are included in the cost. For hygiene reasons participants must bring their own sleeping bags.

Camping is available as a self-catering option only. Camp House contains a small kitchen for the use of campers. Equipment for outdoor cooking is also available.

Grocery deliveries are available from Coop@Home and can be delivered Monday-Saturday.

Toilets and showers are available in Camp House. The upstairs of Camp House can be used for shelter in wet/stormy weather. It is approximately a five-minute walk from the campsite to Main Chalet and Spycher House.

Our campsite is partially wheelchair accessible, for full details please e-mail info@ourchalet.waggs.org.

Meals

The following information applies to the indoor accommodation package only. Groups choosing the camping and Squirrel House packages must self-cater for all meals.

For groups booked on to the indoor accommodation package all meals from packed lunch on arrival day to packed lunch on departure day are included in the cost and provided by Our Chalet. The kitchen at Our Chalet is operated by the Kitchen Manager and a team of volunteer staff. We do our best to accommodate dietary requirements, however, if your group has a participant with a severe allergy or complex dietary requirement we recommend you discuss your needs prior to booking.

Breakfast

A cold breakfast of cereals, yoghurt, bread, cheese, and fruit is available every morning in a self-service buffet style. Hot and cold drinks are also included.

Packed lunch

Participants make a packed lunch (sandwiches, fruit, snacks, etc.) each morning to take with them on programme. All participants are required to bring a lunch box or bag to carry their lunch.

Dinner

Dinner is served at one sitting and offers one option for everyone. Typical dinners include Swiss dishes such as rösti and camp favourites like chilli or pasta. Dinners always include salad or vegetables and consist of two courses with a main meal and dessert.

Special diet meals, including vegetarian, vegan, and gluten-free are available only to participants who have notified us in advance of their need for a special meal. Your pre-arrival paperwork will ask you to specify dietary requirements for each participant in your group.

We look forward to welcoming you to Our Chalet in 2023!
