

MINI BREAKS 2025

Please read this information pack for full details of Mini Breaks before making your booking. These events are for short visits for groups of any age accompanied by adult leaders. If you would prefer a longer event, we recommend looking at our Winter Adventure (age 8+) and Leadership Youth (age 11+) programmes.

When you have decided which event and which dates you would like to book you can send a booking enquiry [here](#).

During your mini break you have two half days of onsite activities at Our Chalet. On Friday afternoon these will be Swiss themed with an opportunity to learn about Swiss traditions, Swiss games, and a local Adelboden fairly tale.

You will also have a pinning ceremony and tour of the Our Chalet site on this day.

We recommend participants arrive by 13:00 (1pm) in order to have time to take part in the full afternoon of activities. Lunch is not provided but you are welcome to eat a picnic lunch onsite.

Practical information:

Some activities take place outside, including in snow.

Adaptation: All activities can be adapted to the abilities of the participants.

Evening programme

On Friday and Saturday evenings you will also have an evening programme after dinner. This lasts between 1 and 1.5 hours and is an opportunity to learn a new skill, play fun games, or work towards a badge.

SATURDAY

SUSPENSION BRIDGE, RIVER WALK & CLIMBING TOWER

Cross one of Europe's longest pedestrian suspension bridges (153 metres long and 38 metres high!) before following the river to Frutigen. The riverside trail has many woodcarved creatures waiting to greet you along the way.

Once we reach Frutigen, there's time for picnic lunch before you take on the climbing tower. With three levels and 64 different challenge stations, the climbing tower offers a challenge for everyone! **Note:** for children under 140cm there is a smaller "Children's Climbing Park" on the bottom level of the tower. **Children must be 140cm tall to access the main part of the climbing tower.**

At the end of the day we return to Adelboden Oey by bus and walk back up the hill to Our Chalet. This day is guided by Our Chalet staff. Climbing Tower is supervised by trained staff.

Practical information:

Walking: 1 km steep downhill (15-20 mins) + 4.5km mostly flat (1.5 hours) + 1km steep uphill (20-30 mins)

This day is weather dependent and may change last minute depending on the conditions.

Special considerations: The riverside trail is a gravel path and uneven in places. The bridge is high and sways and is therefore unsuitable for those with a severe phobia of heights.

Adaptation: For participants with physical disabilities transport, including wheelchair-accessible transport, can be arranged. The public bus from Frutigen to Adelboden is wheelchair accessible. The bridge is suitable for crossing for users of smaller manual wheelchairs. Those who use crutches or walking sticks may need assistance to cross. The Climbing Tower involves stairs to access each level.

Our indoor accommodation is offered across two buildings:

Main Chalet opened in 1932 and offers dorm rooms, triple rooms, twin rooms and a single room. The largest dorm room can sleep up to 14 participants. None of the rooms in Main Chalet have bunk beds.

Spycher House opened in 1999 and offers one dorm room (sleeping up to eight participants), quad rooms, twin rooms and two single rooms. Some rooms in Spycher House have bunk beds.

Rooms will be assigned to your group by our Guest Services staff based on your needs. To maximise availability, groups may be split across both buildings. Our staff always ensure at least one leader is in the same building as participants from their group.

Participants from different groups do not usually share rooms (unless by request). However, different groups will share the same common facilities such as bathrooms and hallways. Our Chalet is open to Scouts and Guides and non-members of all genders.

For details of wheelchair accessibility in our indoor accommodation please e-mail info@ourchalet.waggs.org. As a broad overview, accommodation suitable for manual wheelchair users is available in Spycher House. Users of powered wheelchairs or mobility scooters who can transfer to a manual chair without the use of a hoist can also access this accommodation.

A cold breakfast of cereals, yoghurt, bread, cheese and fruit is available every morning in a self-service buffet style. Hot and cold drinks are also included.

Packed lunch

Participants make a packed lunch (sandwiches, fruit, snacks, etc.) each morning to take with them on programme. All participants are required to bring a lunch box or bag to carry their lunch.
