If, after reading the information pack, you have questions about the event, please e-mail info@ourchalet.waggs.org.

PROGRAMME

The next few pages give an overview of the programme activities included in this event. If you are unsure if an activity is suitable for your group, please contact programme@ourchalet.waggs.org before making your booking.

NOTE: All programme activities are subject to change depending on availability of suppliers and weather conditions.

Important information about programme:

- Leaders or parents/guardians must accompany their youth participants on all programme activities and are responsible for first aid for their group at all times.
- It is the responsibility of the individual participant or group leader to check that all activities are covered by their travel insurance.
- The transport options listed in the access description are only available for participants with a permanent disability or medical condition that affects their mobility. **Our Chalet must be informed of the transport need prior to arrival.** In all other cases, participants are responsible for any costs associated with additional transport, e.g. taxis in lieu of walking.

Additional information for participants with disabilities:

- Our Chalet aims to make its events inclusive to as many people as possible. Most of our programme can be adapted to be suitable for those with physical disabilities or sensory impairments. **However, this programme does include one hiking day that cannot be adapted for those who are unable to hike on off-road trails.** To ensure we can meet your needs we ask that you let us know at the time of making a booking enquiry what adaptations you may need.
- Many of our activities are also suitable for those with mild/moderate learning disabilities or autism spectrum disorder. As a general rule, if someone attends mainstream school our activities can likely be adapted to fit their needs. Again, we ask that you discuss adaptations at the time of making a booking enquiry.
- Our Chalet staff are not able to help with any medical or personal care or provide 1:1 support. Participants who need this type of support must bring their own assistant carer with them. Please contact us to discuss options for carer places on this event.

INTERLAKEN & LAKE BRIENZ

Spend a few hours in Interlaken, the adventure sport capital of Switzerland, watching the paragliders land, exploring the old town, or doing some souvenir shopping.

Then follow a riverside path to the beautiful Lake Brienz where you have a go at kayaking. Start out learning how to kayak in the sheltered area by the shore, then move out on to the lake to view the surrounding cliffs and mountains from the calm, blue water. The session includes approximately 2 hours on the water, suitable outer layers to keep you warm on the water are provided.

Practical information:

Walking: 200m steep downhill + 3km flat (40 mins) + 200m steep uphill

Special considerations: Non-swimmers can take part in the kayaking. They will be provided with a life jacket specific for non-swimmers. All participants must wear a buoyancy aid, irrelevant of swimming ability.

HALF DAY EISSTOCK HALF DAY HIKE + GRILL

We start the day with a beautiful, easy walk through the Aebi valley. Keep an eye out for Highland cows and marsh flowers on the way! At the end of the valley we cook our lunch over fires in the grilling area.

Then try your hand at Eisstock, a traditional Swiss ice sport with some similarities to curling. Your Swiss instructors will teach you the rules and give you tips on technique before you have your own mini competition.

Physical activity:

Walking: 6km with some steep uphill and downhill sections (2.5hr) + 1km downhill + 1km uphill (30 mins)

Access: The Aebi walk is on a mix of gravel and dirt trails. It has steep sections both uphill and downhill. Transport can be arranged in place of the Aebi walk. The grill area is uneven with a mix of gravel and grass surface. There is one portable toilet at the grill area, it has a large step to enter it. There is plenty of seating in the grill area.

Manual wheelchair users can access the ice and play Eistock in their chair. There are no seating options on the ice, there are benches around the rink (off-ice). Good grip and a reasonable amount of arm strength is required in one arm. There are wheelchair accessible toilets at the ice rink.

SUSPENSION BRIDGE, RIVER WALK, & CLIMBING TOWER

From one of Europe's longest suspension bridges to a climbing tower with 64 stations to reach, today is all about challenge and teamwork!

Start by crossing Hohstadlen suspension bridge, where cake awaits in the café on the other side. Then follow the river on a gentle walk to Frutigen, keeping an eye out for the woodcarvings dotted along the path. Once in Frutigen tackle the climbing tower as a team, working together to reach as many stations as you can.

Physical activity:

Walking: Walk from Our Chalet to bus stop is 20 minutes (approx. 1 km) steep downhill. From the suspension bridge to Frutigen is 1.5 hours (approx. 6 km) mostly flat on gravel/dirt trail. Walk from the bus stop back to Our Chalet is 30 mins (approx. 1 km) steep uphill.

Special considerations: Minimum height for climbing tower is 140cm. Participants must wear a helmet and harness (provided). Children under 140cm can instead climb on a mini-course underneath the climbing tower.

Access: Public bus can be used in place of river walk. The bridge is narrow and has a bounce/sway when crossing. It has handrails on both sides. There is a toilet at the café, it is down one flight of stairs. The climbing tower requires climbing stairs. Participants can be assisted by their leader or peers on the climbing elements. Alternatively, Mini Golf or Escape Room can be offered in place of climbing. There are toilets, including wheelchair accessible toilet, at the climbing tower.

OESCHINENSEE HIKE

Visit a UNESCO World Heritage Site with a hike to the turquoise mountain lake of Oeschinen above Kandersteg.

Tackle the steeper wooded hiking trail on the way up, enjoy some time at the lake, and take the easier trail back down to the village. There's time to explore the village of Kandersteg before returning to Our Chalet.

Practical information:

Walking to/from bus stop: 1km steep downhill + 1 km steep uphill

Oeschinensee hike: 5km w/ 536m ascent on mountain trail (2.5-3 hours steep uphill)

For those on the self-catered camping package Camp House contains a small kitchen for the use of campers. Equipment for outdoor cooking is also available. No meals are included in the self-catered package.

Toilets and showers are available in Camp House. The upstairs of Camp House can be used for shelter in wet/stormy weather. It is approximately a five minute walk from the campsite to Main Chalet and Spycher House.

Note: It is not possible to be partly catered. Participants can either book a fully catered camping package where all meals are included, or a self-catered package where no meals are included.

All meals from dinner on arrival day to packed lunch on departure day are included in the event package cost for the indoor accommodation and camping catered packages.

The kitchen at Our Chalet is operated by the Kitchen Manager and a team of volunteer staff. We do our best to accommodate dietary requirements, however, if you have a severe allergy or complex dietary requirement, we recommend you discuss your needs prior to booking.

Breakfast

A cold breakfast of cereals, yoghurt, bread, cheese, and fruit is available every morning in a self-service buffet style. Hot and cold drinks are also included.
