Our indoor accommodation is offered across two buildings:

Main Chalet opened in 1932 and offers dorm rooms, triple rooms, twin rooms and a single room. The largest dorm room can sleep up to 14 participants. None of the rooms in Main Chalet have bunk beds.

Spycher House opened in 1999 and offers one dorm room (sleeping up to eight participants), quad rooms, twin rooms and two single rooms. Some rooms in Spycher House have bunk beds.

Rooms will be assigned to your group by our Guest Services staff based on your needs. To maximise availability, groups may be split across both buildings. Our staff always ensure at least one leader is in the same building as participants from their group.

Participants from different groups do not usually share rooms (unless by request). However, different groups will share the same common facilities such as bathrooms and hallways. Our Chalet is open to Scouts and Guides and non-members of all genders.

For details of wheelchair accessibility in our indoor accommodation please e-mail <u>info@ourchalet.wagggs.org</u>. As a broad overview, accommodation suitable for manual wheelchair users is available in Spycher House. Users of powered wheelchairs or mobility scooters who can transfer to a manual chair without the use of a hoist can also access this accommodation.

All meals from dinner on arrival day to packed lunch on departure day are included in the package cost.

The kitchen at Our Chalet is operated by the Catering Co-ordinator and a team of volunteer staff. We do our best to accommodate dietary requirements, but if your group has a participant with a severe allergy or complex dietary requirement we recommend you discuss your needs prior to booking.

Breakfast

A cold breakfast of cereals, yoghurt, bread, cheese and fruit is available every morning in a self-service buffet style. Hot and cold drinks are also included.

Packed lunch

Participants make a packed lunch (sandwiches, fruit, snacks, etc.) each morning to take with them on programme. All participants are required to bring a lunch box or bag to carry their lunch.

Dinner

Dinner is served at one sitting and offers one option for everyone. Typical dinners include Swiss dishes such as rösti and camp favourites like chilli or pasta. Dinners always include salad or vegetables and consist of two courses with a main meal and dessert.

Special diet meals, including vegetarian, vegan, and gluten-free are available only to participants who have notified us in advance of their need for a special meal. Your pre-arrival paperwork will ask you to specify dietary requirements for each participant in your group.

We look forward to welcoming you to your home in the Swiss Alps!
