BLÜEMLISALPHÜTTE OVERNIGHT HIKE

Take on one of the toughest stages of the Via Alpina long-distance trail with this hike from Griesalp to Kandersteg. An overnight stop in the Blüemlisalphütte at 2,840m above sea level makes this a truly unforgettable hike.

Start with a ride on the steepest Post Bus route to get to Griesalp, then hike 1,444m of ascent to reach Blüemlisalphütte. Your overnight stop includes a communal dinner with other hikers and the chance to watch sunset and/or sunrise from high above the surrounding peaks.

The following morning hike down to Kandersteg via the beautiful Oeschinensee before returning by public bus to Our Chalet.

Practical information:

Day 1:

Hiking: 6km with 1,444m (4,737 ft) ascent.

Note: This hike includes sections using ladders. Snowfields are possible at all times of year.

Day 2:

Hiking: 10km with 1,700m (5,577 ft) descent.

The overnight hut stay with dinner and breakfast are included in the package cost. 1 drink is included with the dinner, if you would like more participants can choose to bring their own or purchase from the hut at extra cost. The hut does not have drinking water.

SILLEREN WALK

We start with a 15 minute cable car ride up to Bergläger, before we swap to a chair lift to ascend up to the Tronegratte, where we will walk along until we reach the Bütschi valley, famous locally as the home of Vogellisi – a young woman who, according to legend, collected herbs here to make medicines with birds as her only friends.

Here we will climb up to Luegli for views across Adelboden and Lenk valleys, before continuing around to Hahnenmoospass and along the flower trail to Sillerenbühl where we will descend back to the valley with a 20 minute cable car ride, before making our way back to Our Chalet.

Practical information:

Our Chalet to Oey cable car station: 1.58km with 107m (351ft) descent + same return uphill.

Main walk: Approx 11 km with 643m (2,109ft) ascent + 553m (1814ft) descent.

Optional Rageboldshorn peak: Additional 1km with 139m (456ft) ascent and descent.

BUNDERSPITZ PEAK HIKE

Climb Our Chalet's 'home mountain', the 2,546m Bunderspitz. For decades Our Chalet's staff and guests have challenged themselves to reach the peak rising up behind the staff house. Start out walking past farms, start climbing through the forest, then leave the trees behind as you climb ever upwards. Cows with their Swiss cowbells graze on the high alpine pastures but by the time you reach the peak, even they will be left behind!

Practical information:

Hiking: 12km with 1,250m (4,100ft) ascent + 1,250m (4,100ft) descent

The indoor package includes seven nights of accommodation, luggage transfers, all meals from dinner on arrival day to packed lunch on departure day, and all event programme activities.

Our indoor accommodation is offered across two buildings:

Main Chalet opened in 1932 and offers dorm rooms, triple rooms, twin rooms, and a single room. The largest dorm room can sleep up to 14 guests. None of the rooms in Main Chalet have bunk beds.

Spycher House opened in 1999 and offers one dorm room (sleeps up to eight guests), quad rooms, twin rooms, and two single rooms. Some rooms in Spycher House have bunk beds.

For groups, rooms will be assigned by our office staff based on your needs. To maximise availability, groups may be split across both buildings. Our staff always ensure at least one leader is in the same building as participants from their group.

Participants from different groups do not usually share rooms (unless by request), however, different groups will share the same common facilities such as bathrooms and hallways. Our Chalet is open to guests of all genders.

For this event catered and self-catered camping packages are offered. The self-catered package includes seven nights of accommodation, luggage transfers, and all event programme activities. The catered package includes the same plus all meals from dinner on arrival day to packed lunch on departure day.

Our campsite can accommodate up to 30 people. Tents including inflatable mattresses are available to rent for an additional cost. For hygiene reasons participants must bring their own sleeping bags.

For those on the self-catered camping package Camp House contains a small kitchen for the use of campers. Equipment for outdoor cooking is also available. No meals are included in the self-catered package, except for dinner and breakfast at the mountain hut on the overnight hike.

Toilets and showers are available in Camp House. The upstairs of Camp House can be used for shelter in wet/stormy weather. It is approximately a five minute walk from the campsite to Main Chalet and Spycher House.

Note: It is not possible to be partly catered. Participants can either book a fully catered camping package where all meals are included, or a self-catered package where no meals are included (except for at the mountain hut on the overnight hike).

All meals from dinner on arrival day to packed lunch on departure day are included in the indoor accommodation and catered camping package costs.

The kitchen at Our Chalet is operated by the Kitchen Manager and a team of volunteer staff. We do our best to accommodate dietary requirements, however, if you have a severe allergy or complex dietary requirement, we recommend you discuss your needs prior to booking.

Breakfast

A cold breakfast of cereals, yoghurt, bread, cheese, and fruit is available every morning in a self-service buffet style. Hot and cold drinks are also included.

Packed lunch

Participants make a packed lunch (sandwiches, fruit, snacks, etc.) each morning to take with them on programme. All participants are required to bring a lunch box to carry their lunch.

Dinner

Dinner is served at one sitting and offers one option for everyone. Typical dinners include Swiss dishes such as rösti and camp favourites like chilli or pasta. Dinners always include salad or vegetables and include two courses with a main meal and dessert.

Special diet meals, including vegetarian, vegan, and gluten-free are available only to participants who have notified us in advance of their need for a special meal. Your pre-arrival paperwork will ask you to specify dietary requirements for each participant in your group.

Note: Breakfast and dinner on the overnight hike day are provided by the mountain hut. Dinner is soup, main course, and dessert. **Drinks (of any kind) are not included in the hut stay.** Participants will need to carry extra water or buy drinks from the hut.

We look forward to welcoming you to your home in the Swiss Alps!
